“The Mother & Son Real Estate Team”

### Greetings from the Christofferson Team

Hi,

Hopefully you received our first email explaining this newsletter. If you did, then the next few lines basically say what the email said. If you didn't receive the email, the next few lines explain what to expect from the newsletter. This newsletter is something new that we feel would be a great way to keep our family, friends, and clients in touch with how our families and business is going.

In these newsletters, we plan on doing all sorts of useful things: great recipes, interesting quotes, technology tips, anything that we feel would be pretty cool. We might even update you on us (just kidding, of course we will update you!) As of now, we plan on sending out a newsletter every 2 months, so 6 times a year. Not too many, not too few.

We're hoping to keep this fun and useful, not just some boring text that you dread seeing popping up in your inbox.

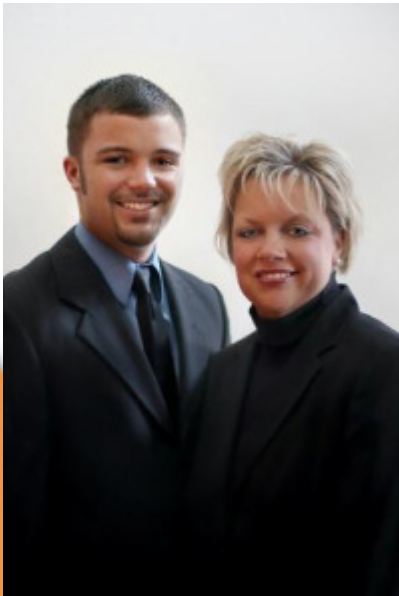

If there is anything you feel would be cool for us to add or even take away, we would appreciate your input. We want this to be something you enjoy receiving.

So here is our 1<sup>st</sup> newsletter. Hope to talk and see you soon!

"But blessed is the man who trusts in the LORD, whose confidence is in him. He will be like a tree planted by the water that sends out its roots by the stream. It does not fear when heat comes; its leaves are always green. It has no worries in a year of drought and never fails to bear fruit."

## An Easy, Delicious Recipe for Salsa

Summer is a great time for get-togethers and football season is around the corner. Any get-together or football party is not complete without chips and salsa. However, don’t go for bland stuff at the store, try making this simple, yet tasty salsa. I came across this dish while at a party and was able to snag the recipe (Tom, tell your wife thanks!).

## Awesome Internet Radio Station

If you spend quite a bit of time working on the computer like I do, some good music can really help the time pass by. Unfortunately, radio stations have tons of commercials and don’t always play songs that are of interests.

A client and friend of mine (Thanks Steve!) directed me to this sweet website. It’s free to use and only takes a moment to register.

Here’s how the website

Ingredients:

- 11 oz can of Mexicorn
- 4 oz can of Green Chilies
- 4 oz can of Jalapenos
- 5 Green Onions chopped
- 1 cup of Mayo
- 1 cup of Sour Cream
- 2 cups of Shredded Cheddar

Directions:

- Mix the ingredients
- Chill the ingredients
- Serve with Fritos or Tostitos

Plan on this dip going fast. You might want to make extra.

Enjoy!!!

works. The user is in control. Say you have a favorite artist whose style you really like. You just type in the name of the artist, and Pandora automatically creates a radio station with that artist and artists with similar style.

I like Louis Armstrong, the jazz legend, and wanted to hear his music and others like it, but I didn’t know who those others were. I typed in Louis Armstrong and almost

instantly was listening to some awesome jazz.

If you get tired of listening to certain music, just create a new station!

I hope you enjoy this website as much as I do.

Happy  
Silver  
Anniversary!

## Cindy & Donny are Celebrating 25 Years of Marriage!!!

A quarter of a century! A lot has happened since we were married at the age of 18. Three children (2 of which are now married and the other a sophomore in high school), a few Grand-dogs (no grandchildren yet), and plenty of ups and downs.

We're looking forward to the next 25 years which

we hope to see plenty of grandkids, more free time together, and maybe even retirement.

To celebrate our Silver Anniversary, my 3 babies (they will always be my babies) are throwing a party on Sunday, September 6<sup>th</sup> at Lisbon Community Park. We would be honored if you joined us.

If you plan on coming please RSVP to my daughter Jennifer at (262)501-2878 or email her at [jenniferkinley@gmail.com](mailto:jenniferkinley@gmail.com)

We look forward to seeing you there and helping us kick off the next 25 years!!!

## DJ & Gretchen Start a Photography Company!!!

My wife Gretchen has a passion for photography and for the past 2 years she's worked for a photography studio in Mequon.

Her dream has always been to start her own company and after saving money for the past year, we are proud to announce that Faith Photography is now in business.

Faith Photography focuses on Senior Portraits, Baby Pictures, Families & Couples, and Weddings.

This company isn't your average "photography company." All photo-shoots are done on location, which means the pictures are uniquely YOU. And with A la Carte pricing, you pay only for the pictures and poses you

want!

Gretchen spends hours editing each photo-shoot to give you the highest quality pictures you've ever seen.

Please check out the website [www.Wisconsin-Photography.com](http://www.Wisconsin-Photography.com) or call 262-434-0909 for information.

## Christofferson Team

Everywhere you go, you hear people say how bad the housing market is. And we have to agree to a point that the housing market isn't hopping like it was a few years ago. However, things are really looking up. An article came out in the beginning of August which stated that June was the **5<sup>th</sup>** consecutive month that pending home sales rose. This is the first time that has happened since 2003! Click [here](#) to go to that article.

We want to thank you for helping make our business successful. The month of August will be Christofferson Team's most productive month yet. Your referrals are the life-support of our business, and we thank you for passing on our Team to your family and friends.
